

PyNDN - Bug #1658

MetalInfo copy constructor tries to copy block ID from itself

06/11/2014 03:17 PM - Adeola Bannis

Status:	Closed	Start date:	06/11/2014
Priority:	Normal	Due date:	
Assignee:	Jeff Thompson	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
In the MetalInfo constructor, the line with '_finalBlockID' tries to copy from self instead of from the passed in value.
