

ndnSIM - Task #2358

Implement FibHelper::RemoveRoute

01/07/2015 06:22 PM - Alex Afanasyev

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:	Yuanzhi Gao	% Done:	100%
Category:	heper	Estimated time:	0.00 hour
Target version:	2.1		
Description			
At some point in the future we may need to implement RemoveRoute in FibHelper and update documentation			

History

#1 - 01/10/2015 12:03 AM - Alex Afanasyev

- Target version set to 2.1

#2 - 01/10/2015 12:03 AM - Alex Afanasyev

- Start date deleted (01/07/2015)

#3 - 02/22/2015 09:05 PM - Spyros Mastorakis

Do you have a specific design in mind for that? Or is it ok to be the same design like the AddRoute method?

#4 - 02/24/2015 05:32 PM - Alex Afanasyev

I don't have specific design and it could be similar to AddRoute.

#5 - 05/04/2015 10:34 AM - Spyros Mastorakis

- Status changed from New to In Progress

- Assignee set to Yuanzhi Gao

#6 - 08/03/2015 04:18 PM - Alex Afanasyev

- Category set to heper

- Status changed from In Progress to Closed

- % Done changed from 0 to 100
