

ndnSIM - Feature #3806

helper: NetworkRegionTable helper

10/11/2016 08:29 AM - Muhammad Hosain Abdullahi Sabet

Status:	Closed	Start date:	10/11/2016
Priority:	Normal	Due date:	
Assignee:	Muhammad Hosain Abdullahi Sabet	% Done:	100%
Category:	helpers	Estimated time:	0.00 hour
Target version:	2.3		
Description			
Currently, there is no way to configure NetworkRegionTable for nodes in ndnSIM simulation. It seems a helper is needed. I have written a very simple helper in my forked github repo, just to add/remove regionNames into/from the table, and I'm ready to submit it for code reviewing purposes. I can add other functionalities if needed.
