Target version:	2.4		
Description			
Hi there,			
There may be a typo in this page and the source code. http://ndnsim.net/2.3/examples.html#node-grid-topology-with-different-forwarding-strategies-per-name-prefix			
ndn-different-strategy-per-prefix.cpp 1// ndn-multiple-strategies.cpp			
This might should be //ndn-different-strategy-per-prefix.cpp			
Thanks Pengyuan
