Target version:			
Description			
It seems that the latest version of nfd use wireformat v3 for encoding the interest but ndn-js use wireformat v2.			

History

#1 - 06/13/2020 01:29 PM - Junxiao Shi

ndn-js has been unmaintained since 2019. For new Node/web projects, use **NDNs** instead: <https://yoursunny.com/p/NDNs/>
