

## jndn - Issues

| #    | Tracker | Status    | Priority | Subject  | Assignee | Updated             | Tags |
|------|---------|-----------|----------|--|----------|---------------------|------|
| 5117 | Bug     | Closed    | Normal   | TestRegistrationCallbacks Fails  |          | 06/05/2020 12:03 AM |      |
| 5102 | Bug     | Closed    | Urgent   | jNDN incompatible with new NFD   |          | 02/21/2021 06:44 AM |      |
| 4905 | Bug     | Closed    | Normal   | Default KeyChain() on Ubuntu doesn't load a TPM key  |          | 04/02/2019 03:23 PM |      |
| 4732 | Bug     | Closed    | Normal   | decodeControlParameters should not throw on unrecognized TLVs  |          | 11/08/2018 02:47 PM |      |
| 4687 | Bug     | Closed    | Normal   | java.lang.IndexOutOfBoundsException in ChronoSync2013  |          | 07/31/2018 02:48 PM |      |
| 4575 | Bug     | Closed    | Urgent   | fail to register prefix with NFD-android using NDN-DOT-NET library                                       |          | 04/11/2018 08:25 AM |      |
| 4312 | Bug     | Closed    | High     | ValidityPeriod of CertificateV2 cannot be set using certificateV2.getValidityPeriod().setPeriod()        |          | 10/05/2017 12:18 AM |      |
| 4304 | Bug     | Closed    | Normal   | AndroidSqlite3Pib should be used when create jndn-Android jar file                                       |          | 04/06/2018 09:22 AM |      |
| 4161 | Bug     | Closed    | Normal   | RSA encryption is not working on Android   |          | 07/05/2017 02:30 PM |      |
| 3617 | Bug     | Closed    | Normal   | Check tpm setting in client.conf against getTpmLocator()   |          | 05/09/2016 04:39 PM |      |
| 3496 | Bug     | Closed    | Normal   | WritePendingException from TestGetAsyncThreadPool on Windows   |          | 03/04/2016 11:44 AM |      |
| 3228 | Bug     | Closed    | Normal   | Name components do not compare correctly   |          | 10/01/2015 10:22 AM |      |
| 3072 | Bug     | Closed    | Normal   | In MemoryIdentityStorage.setDefaultKeyNameForIdentity, the identity name is not derived from the keyName |          | 07/29/2015 09:04 AM |      |
| 2869 | Bug     | Closed    | Normal   | NFD Restart Breaks Face Socket   |          | 05/13/2016 07:23 AM |      |
| 2847 | Bug     | Closed    | Normal   | Created cert name should use lower-case ksk  |          | 06/02/2015 03:56 PM |      |
| 2846 | Bug     | Closed    | Normal   | selfSign certificate name timestamp should be a version component  |          | 06/03/2015 12:34 PM |      |
| 2791 | Bug     | Closed    | Normal   | ControlParameters forwarding flags are decoded incorrectly   |          | 05/06/2015 11:30 AM |      |
| 2758 | Bug     | Closed    | High     | encodeControlParameters does not properly encode parameters for some inputs                              |          | 05/01/2015 12:30 PM |      |
| 2560 | Bug     | Closed    | Normal   | mvn integration-test doesn't seem to run the tests   |          | 03/09/2015 03:11 PM |      |
| 2546 | Bug     | Closed    | Normal   | Incorrect SCM url in pom.xml   |          | 02/24/2015 01:15 PM |      |
| 2511 | Bug     | Abandoned | Normal   | Java 8 compiler errors   |          | 02/11/2015 01:31 PM |      |
| 2424 | Bug     | Closed    | Normal   | Face doesn't have default constructor  |          | 01/27/2015 01:02 PM |      |
| 1927 | Bug     | Closed    | Normal   | Bad TLV nonNegativeInteger encoding of 253 through 255   |          | 08/25/2014 02:02 PM |      |
| 1518 | Bug     | Abandoned | Normal   | registerPrefix adds the onInterest callback even when registration fails                                 |          | 03/26/2015 10:42 AM |      |
| 1076 | Bug     | Abandoned | Normal   | Catch callback exceptions in BinaryXmlElementReader.onReceivedData?                                      |          | 10/03/2014 08:33 AM |      |
