

## NDN-CCL - Issues

| #    | Tracker | Status      | Priority | Subject                                                                                               | Assignee   | Updated             | Tags               |
|------|---------|-------------|----------|-------------------------------------------------------------------------------------------------------|------------|---------------------|--------------------|
| 5099 | Task    | New         | Normal   | NFD socket file moved to /run/nfd.sock on Linux                                                       |            | 04/08/2020 11:44 AM |                    |
| 4999 | Bug     | New         | Normal   | CI documentation build relies on Python 2                                                             |            | 10/03/2019 07:21 PM |                    |
| 4988 | Feature | New         | High     | Encode Interests to PacketFormat03                                                                    |            | 10/04/2019 12:56 PM | Packet03Transition |
| 4655 | Task    | In Progress | Normal   | Port new name-based access control library                                                            |            | 11/07/2018 12:05 PM |                    |
| 2628 | Bug     | New         | High     | Default value for Interest.Selectors.MustBeFresh should be false                                      |            | 02/08/2016 10:08 PM |                    |
| 2576 | Feature | New         | Normal   | ForwardingFlags should be removed                                                                     | Jeff Burke | 04/06/2019 01:04 PM |                    |
| 2575 | Bug     | New         | High     | Unspecified fields should not be present in packets                                                   |            | 03/09/2015 01:43 PM |                    |
| 2571 | Feature | New         | Normal   | Reconsider the need for ConnectionInfo abstractions                                                   | Jeff Burke | 03/09/2015 12:53 PM |                    |
| 2569 | Feature | New         | Low      | Reconsider necessity for "Node" class                                                                 |            | 03/09/2015 12:56 PM |                    |
| 2075 | Feature | New         | Normal   | The library should have an API to inform the application when the connection is lost to the forwarder |            | 07/28/2016 01:33 PM |                    |
| 1047 | Bug     | New         | Normal   | The removeRegisteredPrefix API should "unregister" from the forwarding daemon                         |            | 07/18/2017 03:51 PM |                    |
